

Amol Patil

B.E. Information Technology - Fourth Year Student

 amolpatilap2910@gmail.com  +91 9370686343  [LeetCode](#)  [Portfolio](#)  [GitHub](#)  [LinkedIn](#)

Enthusiastic student aiming to grow in the software industry through practical exposure and team-based projects. Committed to applying knowledge in real-world environments to support organizational goals and innovation.

EDUCATION

Pune Institute of Computer Technology, Pune

B.E. Information Technology | CGPA : 9.62

Nov 2022 - Present

Rajarshi Shahu Junior Science College, Latur

HSC (Science) : 74.33 %

Year of passing: 2022

Pratap Vidya Mandir, Chopda

SSC : 97.60 %

Year of passing: 2020

EXPERIENCE

Graduate Trainee Engineer

Jan 2026 - Present

FPL Technologies Pvt. Ltd. (OneCard)

- Working with engineering teams while undergoing hands-on Java backend training, applying OOP and clean coding practices.
- Designing and querying PostgreSQL databases, implementing joins, constraints, optimizations, and CRUD workflows.
- Contributing to practical backend tasks in a fintech environment, following agile and enterprise practices.

Nikhil Motors, SDE Intern

Aug 2024 - Oct 2024

Full Stack Developer

React, Node.js, PostgreSQL, AWS (S3, EC2)

- Built a website to increase user engagement and expand a local store's reach across India, storing data.
- Empowered users to search and filter car details by fuel type, vehicle type, and keywords, improving search efficiency by 60%.
- Created role-based dashboards: Admin (full access), Employee (manage cars & drivers), Driver (add maintenance & upload images).

PROJECTS

RescueBites- Free Food Service Management (Full Stack Web Development)

June 2024 - July 2024

JS, React.js, Express.js, Node.js, MongoDB

- Designed a role-based system with Providers (posting food requests) and Consumers (booking food) based on pin code proximity.
- Implemented JWT authentication for secure access and automated request expiration after 18 hours to optimize resource management.
- Enhanced engagement by 30%, promoting donations and reducing food waste efficiently.

StartSphere- Raising Campaign for Startups (Blockchain-Based Fundraising Platform)

March 2024 - April 2024

Solidity, JS, Node.js, React.js, PostgreSQL

- Built a blockchain-based fundraising platform with a voting system, enabling contributors to track donations, cast one vote for transaction approval, and ensure secure transactions.
- Deployed a feature where campaign owners can spend funds only after receiving approval from over 50% of contributors, ensuring accountability.

SKILLS

Programming Languages: C++ ([Certificate](#)), Java, SQL

Web Development: HTML5, CSS, JavaScript, Node.js, Express.js, React.js ([Certificate](#)), Bootstrap

Database: MySQL, PostgreSQL, MongoDB

Blockchain: Smart Contract Creation, Solidity ([Certificate](#))

Cloud Computing: AWS (EC2, S3, IAM, EBS)

Tools: Git, GitHub, Postman, Docker

Core Subjects: Data Structures and Algorithms, DBMS, Object Oriented Programming, Operating System

ACHIEVEMENTS AND EXTRA-CURRICULAR ACTIVITIES

- NSS Volunteer:** Contributed to social drives like tree plantation, food/winter donation, Nirmal Wari, and cleanliness campaign.
- Winner of NICE CoDay Hackathon 2024** for solving an **EV charging optimization** challenge.
- Graduated from **the Citi Bridge Program 2025** as one of the **top 25** students, completing a **5-day program** including an intensive **24-hour hackathon**.
- Co-authored a **research paper on blockchain-based authentication** for genuine goods, leveraging Solidity and React, accepted for **publication at IEEE ICBDS 2024**. ([LINK](#))
- Secured **Top 30 teams at Smart India Hackathon 2023**, developed a solution to promote cultural heritage and tradition.
- Tech Head at PICT's Coders' League (PCL):** Leading initiatives to enhance programming skills and organize coding events.
- PICT ACM Student Chapter (PASC):** Technical Team Member. Contributed to organizing technical events and mentoring freshers.
- PICT Automobile Club (PAC):** Finance Team Member. Managed club finances and sponsorship outreach.
